

The Covington Music Boosters will be holding their monthly meeting this Tuesday night, March 16th at 6:30 PM, in the High School Music Room. If you have a student that is in the Covington Music Department then you are encouraged to attend. Mr. Rehmert will be discussing many upcoming events, including Middle School Solo & Ensemble Contest, State OMEA High School Large Group Contest, & the Spotlight Concert in May. We encourage all parents to attend & become active in the Music Boosters as we support our students in the Music Program.
