

Do You Want New Active Senior Housing in Covington?

Covington has begun a planning process to identify what residents desire in terms of housing, business development and community services. One suggestion is the development of an 'Active Senior' housing complex targeted at the independent 55+ crowd featuring affordable, low maintenance, single story homes.

If you are 55 or older, or have a loved one who is interested in senior housing, your feedback is important to us. Please complete the following questionnaire to help guide our community planning efforts.

Please complete and return the survey by June 30th. Completed surveys may be dropped off at Village Hall, the Covington Care Center or the JR Clarke Public Library. Surveys can also be mailed to:

Senior Housing Survey
P.O. Box 69
Covington, OH 45318

Additional surveys if needed can be downloaded from www.covingtonohio.org, www.arenspub.com and www.covingtoncarecenter.com. Your answers will only be used for assessing project feasibility and your personal information will not be shared with any outside organization. Thank you for your support.

Survey sponsored by Covington Area Improvement Corporation and Covington Care Center
